

WARSZAWSKIE TOWARZYSTWO WIOŚLARSKIE

Warszawa, 23.01.2018r.

Invitation

140th Anniversary Rowing Regatta

(for juniors, adults and university teams)

Dear Sirs,

On behalf of the Warsaw Rowing Association, I am pleased to announce the 140th Rowing Regatta which will be one of the main events celebrating the 140th anniversary of our Association – the oldest sport association in Poland. The event will be held on June 23, 2018.

Warsaw Rowing Association has decided to organize the regatta in a modern style according to the cup system. In order to popularize our beautiful discipline - rowing - in Warsaw – the capital of Poland and to promote Warsaw in the world, we want to gather as many viewers as possible on the boulevards of Vistula River in the close city center.

The organizer has predicted 700 meter races down the river between its two harbors: the ancient one and the new one (raised this year) on quadruple sculls.

Racing categories:

juniors (boys and girls – JW4x and JM4x, younger teams allowed)

OPEN (male and female teams, W4x and M4x, university teams, amateurs and other types of fours allowed)

OPEN category races winners will be honored. After the competition there will be organized a concert with an audio-video show.

Warsaw Rowing Association provides equipment, accommodation and the entertainment from Friday, 22 to Sunday, 24 of June. We are able to host 6 people teams (in order to come numerously please contact us)

Let's show to Warsaw the greatness of rowing!

For more information and in order to announce arrival of the team please contact us:
